Welcome Home

## What Is the Returning Nationals Programme?

The Returning Nationals or “Welcome Home Programme”, as it is officially called, is an incentive package for Grenadian nationals who are returning from living abroad to permanently reside in Grenada.

The package involves the establishment of a ‘one-stop’ Returning Nationals Facility Bureau in the Ministry of Finance. This means that the Customs and Immigration Department will no longer process applications for returning nationals.

This incentive was introduced in December 2002 after it was announced by the Honourable Minister of Finance of Grenada, Hon. Anthony Boatswain, in his 2003 Budget Speech.

## What are the Benefits?

- “One-stop” facilitation bureau for processing applications.
- 100 percent exemption on all household and personal effects, whether new or used, up to **EC\$75,000.00**.
- 50% exemption on **one (1)** personal vehicle. The vehicle may be purchased locally, if so desired. The exemption will be valid for **three (3)** years. If the vehicle is sold within three (3) years of the concession being granted, the Returning National is liable to repay the taxes forgone. With respect to the environmental levy – **vehicles 1-5 years** will attract a **2%** Cost, Insurance and Freight (CIF) value and vehicles **over 5 years** will attract a **30%** CIF value.
- New and used tools of trade will be allowed free of all duties and taxes
- Returning nationals desirous of setting up businesses will be allowed the usual tax incentives offered to local and foreign investors.
